Frame Horizontals are made of 1mm thick CRCA sheets & the verticals are made of Aluminium Extrusions of 1.5mm thick

All the frames will be duly powder coated based on the choice of the Powder Coat colour , as per Customers choice, which will be inline with the Top trims & end trims

All the frames are fastened together by means of M6 NUTS & BOLTS . They can be attached to form a 2-way, 3-way or a 4-way configuration.

All the Caps viz end, inline & universal & raceway caps are made out of Die-cast Aluminum. These caps also are finished in an epoxy powder coating finish in the same color.

All the frames are fitted with M10 leveling bolts.

Raceway :-The raceways are made out of 0.8mm thick CRCA & powder coated.

The electrical raceway can be provided below worktop or above worktop, these are hookon type which will be mounted on the verticals.

The skirting/data raceway is hollow and will be mounted on the raceway channels.

Wire Management:-The partition has two integrated raceway provided one at skirting level and another at the work surface level thus ensuring separation of power and networking cables. The free space available within raceway accommodates power, data and communication cables.

The cable can be taken into the Frame from the floor from the bottom. Once the cables enter the Frames , it can be taken from one end to the other end continuously as per Power / LAN layout plan. Approximately 50-60 (5mm Dia) cables can be accommodated in the raceway channels.

The raceways are provided with CRCA Snap cover on both side of raceways where required or on one side depending upon where worktop is being used. The second raceway at work top level can be given either below tabletop or above tabletop. The cable running at skirting level can be terminated at tabletop level through disciplined wiring channels inside the frames .

The raceway covers will be provided with appropriate electrical switch cutouts, as per the samples of switches provided (by customer). The number of cutouts in each workstation would depend upon the size of the switches.
