

Inauguration of Yellow Fever Vaccination Center at AIIMS, Raipur

On 16TH August, the Foundation Day of AIIMS Raipur, the Yellow Fever Vaccination Center was inaugurated at the hands of Prof Dr Nitin M Nagarkar, Director AIIMS Raipur in the presence of Prof Dr P K Neema, Medical Superintendent, Prof Dr Manisha Ruikar, Head of the Department of Community & Family Medicine and her entire team.

The Yellow Fever Vaccination Center, which is going to be run by the Department of Community & Family Medicine at room no. 1, AYUSH PMR Building of AIIMS Raipur will be open for vaccination on every working Wednesday from 10 am to 1 pm. Due to establishment of this Centre, international travellers from Chhattisgarh visiting Yellow Fever endemic countries; are saved from the trouble of going to adjacent states for this vaccination. Dr Anjan Kumar Giri (Mob. No. 8518881718), the Nodal Officer of Yellow Fever Vaccination, may be contacted for related information.
