Special conditions: (page 72)

Following points have been added before **Turn key**:

1. In case, allied equipments (bar code reader etc) are procured separately, successful bidder will ensure hassle free coordination with the other equipment/service without any extra cost.
2. Any software upgrade/future collaboration for quality maintenance shall be the responsibility of the supplier.
3. The technical features mentioned above are to be taken as minimum. Any additional features available will be considered and should be mentioned separately.
4. It is mandatory to quote for all items in the list of required equipments. The composite price of all these items will be decided as L_1 . The bidder not quoting for all items will be rejected.
