## Dear Delegates,

On behalf of the organizing committee and AIIMS, Raipur, we warmly welcome you to National CME to be held on March 21st and 22nd, 2014 on "Biochemical Insight into Clinical Immunology". The CME aims to bring together leading eminent speakers to share their experiences in varied field of Immunology and discuss the biochemical basis for the choice of therapeutic and diagnostic approaches in clinical intervention.

With the support of many emerging technologies, dramatic progress has been made in the prevention, diagnosis and treatment of diseases like HIV, TB, Cancer and Autoimmune diseases.

One of the major objectives of this CME is to stimulate scientific thoughts in medical undergraduate, post graduate and basic science students to recent advances in immunology. The meeting focuses on both basic immune mechanism and recent clinical advances. Plenary sessions are scheduled throughout the day for two days.

Looking forward for your kind participation.

Organizing Chairman

## About Raipur

Raipur is the capital city of Chhattisgarh and was in existence since the 9th century. It is an important regional commercial and industrial destination. A number of institutes of national repute like AIIMS, IIM, NIT, HNLU have made the city an educational hub in the country. Attractions in the city include Vivekananda Sarovar (Budha Talab), Nandanvan, Rajiv Smriti Van and Urja Park in addition to world class shopping malls. Sirpur, Jatmai-Ghatarani Waterfalls and Barnawapara Wildlife Sanctuary is situated about 80kms from Raipur. The state is famous for its traditional Dhokra (Bell Metal) Crafts, known as Bastar art, made by tribals and "Kosa", a special variety of Silk. The weather is moderate in the month of March. It is well connected by railway, air and road to all the major cities in the country.
