5. Validity of the bids:

The bids shall be valid for a period of 180 days from the date of opening of the tender. This has to be so specified by the tenderer in the commercial bid which may be extended if required.

6. Scrutiny of Tenders

6.1 The Purchaser will examine the Tenders to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed stamped and whether the Tenders are generally in order.

6.2 The Purchaser's determination of a Tender's responsiveness is to be based on the contents of the tender itself without recourse to extrinsic evidence.

6.3 The tenders will be scrutinized to determine whether they are complete and meet the essential and important requirements, conditions etc. as prescribed in the Tender Enquiry document. The tenders, which do not meet the basic requirements, are liable to be treated as nonresponsive and will be rejected.

6.4 The following are some of the important aspects, for which a tender shall be declared nonresponsive during the evaluation and will be ignored;

- i. Tender document is unsigned and without seal.
- ii. Tender validity is shorter than the required Validity of the bids.
- iii. Required EMD (Amount, validity etc.)/ Exemption documents have not been provided.
- iv. Tenderer has quoted for goods manufactured by other manufacturer(s) without the required Manufacturer's Authorisation Form.
